

EVOLVE 40

Engineered to boost efficiency. Professional corded headset. Enhanced productivity.

UC-certified means UC-satisfied

The Jabra Evolve 40 is available in both a UC-certified variant and a Microsoft Teams-certified variant, for truly seamless communication.

Passive Noise Cancellation

Comfortable leatherette ear cushions and on-ear design for all-day comfort.

Get in the zone. Stay in the zone.

Show those around you when you're on a roll and not to be disturbed, by activating the busylight. The handy little light automatically turns red when you're on a call to keep you from being interrupted, or you can enable it manually.

Stay connected, using either USB or jack

Connect to your PC via USB-A or USB-C. Use the 3.5mm jack to connect to your mobile device* - such as a smartphone or tablet - to work or listen to music wherever you may be.

Intuitive control unit

Get easy access to the most used functions, like volume and mute. You can also answer and end calls quickly and easily, directly from the control unit.

Plug-and-play setup

Works out of the box with all leading Unified Communications platforms. Installation is as easy as simply plugging it in.

Connects to*:

* Device dependent

HOW TO START AND PAIR

Plug the Evolve 40 into a USB port on your computer or connect the headset without the in-line call controller using the 3.5mm jack*

Remove the in-line call controller and use the 3.5mm jack to connect to your mobile device* - such as a smartphone or tablet.

HOW TO USE
